5901 NW 151 St., Suite 124, Miami Lakes, FL 33014

+1- 786-404-1054 / WhatsApp: +1-786-492-9111 / [www.avante-edu.com](http://www.avante-edu.com)

## **FORMAT**

The review and preparation course is taught fully online. We have a unique online platform to allow students to make progress at their own pace. The course is taught in English.

## **DURATION**

Six-weeks. Once you have completed the six weeks, you will be able to schedule your exam and feel confident that you are prepared for it. Your certification awaits!

## **APPROVAL**

The Board of Surgical Assistants has approved this review and preparation course to assure that the content is in compliance with their guidelines. The Board provides constant feedback and updates to our institution.

## ELIGIBILITY

To sit for the Certification Exam for Surgical Assistant one of the following criteria must be met:

- Physicians (U.S or Foreign Trained) with Surgical Experience
  - ✓ Must provide documentation.
- Physician Assistants, Registered Nurses, Licensed Practical Nurses, Surgical Assistants, Surgical Technologists:
  - ✓ Must have surgical experience. Individual evaluations might be reviewed by the board for professionals with documented experience.
  - OR**
  - ✓ Must provide documentation of successful completion of a formal surgical assisting training program, with curriculum approved by the Board.

## Surgical Assistants

A Surgical Assistant assists in operations, under the supervision of surgeons. The Surgical Assistant may, in accordance with state laws, help surgeons to make incisions and close surgical sites, manipulate or remove tissues, implant surgical devices or drains, suction the surgical site, place catheters, clamp or cauterize vessels or tissue, and apply dressings to a surgical site.
